Thiruppugazh is a type of Tamil religious poetry. Maybe, I should say that it is the outer form of Tamil Tirukkural which was written by Thiruvalluvar in Tamil language. There are about 10,000 songs till date about Lord Muruga sung in the praise of Lord Muruga. These songs are classified into 6 sections namely Kandar kavithai, Kanda Puranam, Tiruvempaalan pada kavithai etc., This blog post will discuss some English Thiruppugazh lyrics from these sections with their meanings which you can read and understand even if you don't know Tamil.
